Stories From Our Trainees

Sudha Lakshmi

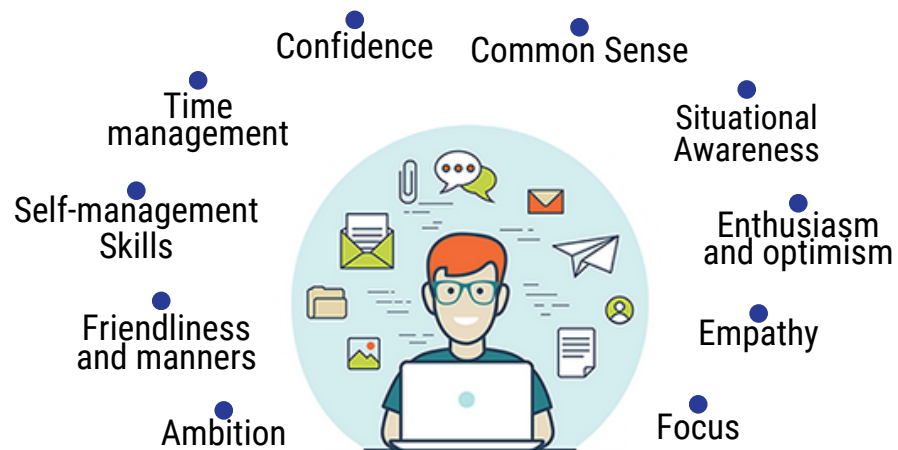

" I have gained a lot of practical knowledge. Time management, managing various social media accounts, presentations, hiring, brand research, and marketing are some of the skills I learnt. I would advise joining Ascend if you wish to master any of the professional skills."

Aditi Jaiswal

" I got amazing technical guidance, support, and mentorship throughout my tenure. I learnt a lot and was provided with relevant coursework to build skills that helped me hone my managerial and professional skills."
